Message from THE MAYOR

Over the past year I have had the privilege and honour of being Manningham’s Mayor. The Manningham community is so diverse, vibrant and welcoming. I would like to thank the community, my fellow councillors and everyone who has contributed to helping make sure Manningham is a great place to live, work and visit.

There have been so many highlights. We became the 37th local government in Victoria to sign the Age-Friendly Declaration, a pledge to plan and deliver age-friendly communities within Manningham.

Council endorsed the annual Budget as well as Council Plan and the Healthy City Strategy, which will guide Council’s decisions and strategic direction over the next four years.

We have also worked to acknowledge Manningham’s history; shortly you will notice new signs below the street signs of Victoria, King and George streets explaining the naming of the streets and the connection to the First World War.

I am constantly blown away by the dedication of our community.

Last month’s Mayoral Ball is a perfect example of how willing our community is to connect, contribute and support one another. After months of planning and fundraising the 2017 Manningham Community Mayoral Ball was a resounding success.

A special thanks to all involved in this truly memorable and rewarding occasion, your efforts will help our young people to access early intervention mental health services.

Saturday 11 November is Remembrance Day. As a community, at 11.00 am on this day we pause and remember those who have served or suffered in wars or conflict.

As the weather warms up, please remember to plan and prepare for the summer season.

It is so important to have a plan. The time you invest now will be invaluable in the event of an emergency or hazard, be it fire or a severe weather event; for more information and advice see page 4.

Lastly, I can honestly say the past year has made me fall even more in love with Manningham and the community that makes it so special. Your energy, enthusiasm and devotion to the place you live has motivated and invigorated me every single day.

I sincerely thank you,

Cr Michelle Kleinert
Mayor

North East Link Survey

Households across Manningham have recently received or will shortly receive a survey on the North East Link project.

The data collected will be used by Council to advocate on your behalf on the preferred route and the design priorities. A community forum held in September was used to inform our initial submission to North East Link Authority (NELA). There will also be ongoing opportunities to provide feedback to the NELA during this project.

We are encouraging residents to have your say by either returning a completed survey or by visiting

nelsurvey.manningham.vic.gov.au

Please use the unique identifier which will be included in your letter.

Cover image: Enjoying spring evenings.
Thank you Jessica Dickson for entering the 2018 Manningham Community Calendar Photo Competition.
Thank you to everyone who entered the 2018 Manningham Community Calendar Photo Competition.

We asked you to be inspired by our local heritage, parks, gardens, waterways and the places you enjoy with family and friends.

Over 400 entries were submitted, each showcasing something special about Manningham.

We are excited to share a selection of the entries with you in the 2018 Community Calendar, which will be delivered with the next issue of Manningham Matters.

New members welcome at Greythorn Bowling Club

Meet new friends and enjoy competitive or social bowls in a safe and friendly venue. Play all year round and take part in regular social activities.

Our clubhouse and private parking areas are wheelchair friendly. Located in Doncaster not far from the Doncaster Park and Ride, easily accessible by public transport and on foot.

**Summer season**

Are you prepared? Coming into summer it is important to consider natural hazards and emergency risks that may affect you and your family. Consider bushfire and/or grassfire, storms, severe weather, power outages and heatwaves.

**STAY ALERT**
Stay alert for when the Fire Danger Period is declared and monitor fire danger ratings.

**CONNECT WITH YOUR NEIGHBOURS**
Discuss your emergency plan and how you can support each other. Identify neighbours who may need assistance planning for an emergency and discuss how you may be able to help.

**PLAN FOR YOUR PETS**
Ensure you have a way to safely transport your pets and livestock. If possible, have options for places your pets can stay in the event of an emergency.

**HEATWAVE**
Visit shopping centres, local libraries, galleries or places of interest during the day.

If you feel unwell in the heat call your GP or Nurse-on-call 1300 60 60 24

**We all have a role to play in preparing for natural hazards and emergency risks.**

**STAY INFORMED**
Download the VicEmergency app for access to community information and warnings for all types of emergencies occurring in Victoria.

Monitor emergency warnings

Tune into local radio ABC 774, Eastern 98.1FM and/or Plenty Valley 88.6FM and also monitor Sky News TV.

Stay aware, emergency alert information may be sent to your landline phone as a voice message or to your mobile phone as a text message. This will occur if your phone is located within an area being impacted by an emergency and phone service is available.

Download the Bureau of Meteorology app that can be customised for your location for detailed weather information.

**FIRE AND SMOKE**
Country Fire Authority

Department of Environment, Land, Water and Planning

Health-related fact sheets

**STORMS AND SEVERE WEATHER**
Victoria State Emergency Service

**POWER OUTAGES**
Prepare for a power outage

**PLAN FOR YOUR RECOVERY**
Review and update your insurance.
Residents living within the bushfire prone area are eligible for up to four free garden waste disposal vouchers.

These are to help with bushfire season clean up works. Each voucher entitles you to deposit one 6’x4’ trailer load of garden waste at Manningham’s Garden Waste and Recycle Centre.

Vouchers are now available and can be used through to the end of November.

Obtain your vouchers
8-5 9840 9333

CHECK BEFORE YOU CHOP

It is important to prepare your land to minimise the risks of bushfire. We encourage you to check before you chop because the Manningham Planning Scheme contains controls relating to the removal of vegetation, particularly native vegetation.

We are able to help you understand when and where special exemptions apply to removing vegetation for bushfire protection.

For example a 10/30 exemption applies if there is no Bushfire Management Overlay on your property.

This means permits are generally not required to:
- Remove trees located within ten metres of an existing house*.
- Clear any other vegetation (except trees) up to 30 metres from an existing house* on your own land.

A 10/50 exemption applies if there is a Bushfire Management Overlay over your land. This means permits are generally not required to:
- Remove trees located within ten metres of an existing house*.
- Clear any other vegetation (except trees) up to 50 metres from an existing house* on your own land.

*The exemption applies to houses built before 10 September 2009.

In some instances properties are affected by Section 173 Agreements, and these do not allow exemptions.

For a full list of exemptions that relate to bushfire protection or for any advice or assistance.
8-5 9840 9470

NEW BUSHFIRE MANAGEMENT OVERLAY (BMO)

The State Government has implemented changes to the Bushfire Management Overlay across Victoria, including parts of Manningham.

A recommendation of the 2009 Victorian Bushfires Royal Commission, the changes have been made to ensure consistent bushfire mapping and planning policies apply across Victoria.

Council is now required to assess planning applications against the updated BMO, which includes an additional 3,200 properties across Manningham.

For properties that have a Bushfire Management Overlay, a planning permit may be required to subdivide your land, build a new house, significantly extend your existing house, or other specified works.

All property owners in Manningham that are affected by the changes will have recently received a letter with details of the changes to the overlay.

For more information
8-5 1300 366 356
www.planning.vic.gov.au/bmo
What makes green wedges distinct is the protection of the natural and rural character. There are 12 designated green wedge areas in Melbourne, which form a ring around the metropolitan area.

About one third of the total green wedge area is public land. This includes national parks, reserves and water catchments. Green wedge areas also contain a mix of agriculture and low-density rural residential living.

The Manningham’s green wedge is mostly located east of Mullum Mullum Creek.

It also partially extends into the Shire of Nillumbik and the City of Maroondah.

Our green wedge is a valuable asset that must be protected from land uses that are incompatible with its strong environmental values.

This is expressed and managed through several policies and planning controls within the Manningham Planning Scheme. The Green Wedge Infrastructure Design Guide also aims to ensure sympathetic engineering works in this environmentally sensitive area.
Jumping Creek Road is an important local link road.
It connects Ringwood-Warrandyte Road in Warrandyte to Homestead Road in Wonga Park, as well as surrounding suburbs and the tourist destinations of the Yarra Valley and the Dandenong Ranges.

Currently carrying in excess of 8,100 vehicles per day (vpd) and with the traffic volume expected to double to 15,000 vpd by 2035, it is considered that the existing road cannot safely accommodate increasing traffic volumes.

Manningham City Council is undertaking a $17.9 million upgrade of Jumping Creek Road.

The Jumping Creek Road Development Framework was endorsed at the July 2016 Council meeting, following comprehensive community consultation.

In line with community expectations, the upgrade will deliver safe, sustainable, functional and site responsive infrastructure that aims to protect and enhance the local landscape.

The first stage of works proposed between Ringwood-Warrandyte Road and Jumping Creek (Waterway) will commence in 2018, subject to relevant planning and environmental approvals and legislation.

Throughout the upgrade of Jumping Creek Road, Council will continue to engage with the local community to keep everyone informed about the project’s progress and provide further opportunities for community involvement and consultation.

For more information or to continue receiving updates on the Jumping Creek Road upgrade

### WHEN WILL THE WORKS START AND HOW LONG WILL IT TAKE?

Due to the scope of works to be undertaken and budget constraints, it is proposed to split the works into several stages commencing in 2018. However, timings for the upgrade are indicative and subject to budgetary considerations.

### WILL THERE BE DISRUPTION TO TRAFFIC WHILE THE WORKS ARE BEING UNDERTAKEN?

Some traffic disruption during works of this scale is unavoidable. However, every effort will be made to ensure that Jumping Creek Road remains open to traffic throughout the entire upgrade period.

The current upgrade timings are scheduled to adequately provide for fire emergency access and evacuation, with no works to be completed during the fire danger period.

### ARE ANY TREES GOING TO BE REMOVED AS PART OF THE WORKS?

Yes, the upgrade will require tree removal, however the extent has not yet been identified. The concept design aims to balance road user needs and safety, with minimising impacts on roadside vegetation and retaining rural character.

### WHAT ABOUT WILDLIFE?

Where trees need to be removed as a result of the works, potential fauna impacts will be identified and management strategies will be put in place. At several locations, separate animal crossings will be provided to preserve local wildlife.

### JUMPING CREEK ROAD COMMUNITY REFERENCE PANEL

In January 2017, Council established a Jumping Creek Road Community Reference Panel, consisting of residents, as well as relevant local business and community group representatives.

The panel enables Council to provide updates, highlight issues, respond to queries and share ideas with the community and to receive feedback on proposals about the design and reconstruction of Jumping Creek Road.

The Community Reference Panel members are listed

Come and enjoy a family night out singing along to your favourite Christmas carols at the 36th Manningham Carols by Candlelight. Pack a picnic rug and head to Ruffey Lake Park on Friday 15 December to celebrate the festive season with traditional carols and musical entertainment, a free family festival and kid’s activities, a special visit from Santa and a spectacular evening fireworks display.

KIDS ZONE
From 6.00 pm to 7.30 pm the Kids’ Zone will feature free children’s activities by Manningham Churches Working Together, face painting provided by our sponsors Barry Plant, Baptcare and Porsche Doncaster and New Age Caravans, a jumping castle and an opportunity to have a free photo taken with Santa.

The pre-show entertainment, featuring Code One, kicks off at 6.30 pm.

MAIN CONCERT
The Main Concert gets underway at 8.00pm and is headlined by a variety of performers including Richard Thomas, Angela Lunicisi and Samantha Du Rennes featuring Melbourne Contemporary Choir alongside the Manningham Concert Band under the direction of Michael Thompson.

There will be a special appearance by Santa and well known Australian actor and performer Dan Hamill will compère the evening’s celebrations. A large screen and Auslan interpreters will make the event accessible for all.

This fantastic community event will end with a spectacular fireworks finale at 10.00 pm.

THERE’S MORE
Glow novelties will be available to buy throughout the evening, along with a range of food and drinks. There will be an ATM on site.

The Manningham Carols by Candlelight is a smoke free family-friendly event. Bring a torch, comfortable shoes, picnic rug and warm clothes.

Visit the Manningham Information Tent for a free wristband, write your details on the wristband and secure around your child’s wrist in case you get separated. Let your family know that you will all meet at the tent should you become separated.
CHRISTMAS GIVING

Doncare works in partnership with many community groups to help families have a happy Christmas.

Generous donations of toys and vouchers are collected and Doncare also sets up a Christmas stall, giving families the opportunity to choose from the many donated gifts for their children.

Preparations begin in September and by December all hands are on deck as Doncare Community Support Workers, volunteers and staff collect and distribute the extremely generous donations of toys and food from a wide range of community groups, businesses, church groups, and schools over the festive period.

Embrace the festive cheer to help families doing it tough in Manningham this Christmas. Give families experiencing hardship the opportunity to choose items to give to their children this Christmas.

Donate a gift card to give to a teenager or a toy or gift for a child.

www.doncare.org.au/donate

MANNINGHAM CAROLS BY CANDLELIGHT

Proudly presented by Manningham City Council, with thanks to our major sponsors:

Special thanks also to Costco, Commonwealth Bank Australia and Unique Laser Doncaster.
16 DAYS OF ACTIVISM

The 16 Days of Activism Against Gender Violence is a global campaign raising awareness about violence against women and its impacts.

Together we can challenge norms, attitudes and behaviours which can lead to violence.

Council has partnered with Doncare and Women’s Health East to introduce the Manningham iMatter youMatter weMatter Sporting Club Project with Doncaster Hockey, East Doncaster Cricket and Bulleen Templestowe Amateur Football Clubs.

iMatter youMatter weMatter is an evidence based respectful relationship initiative, developed by Doncare. It empowers young people to navigate their interpersonal relationships in a healthy way, through interactive workshops.

These workshops will help young people, parents and committee members to explore gender stereotypes, healthy and unhealthy relationships and support. A resource will also be developed as part of this project and can be shared to other sporting clubs.

Recipe for success

Apprentice chef Lisa Parker enjoys the friendly community atmosphere of Warrandyte while working at local café, Now and Not Yet.

“My new job has changed my life and I love it” said Lisa.

The chefs and wait staff have developed a unique and special way of working together. Lisa is hearing impaired so the team adapts the way they communicate to include her in the lively café. Lisa is also sharing Auslan (sign language) with her colleagues.

Now and Not Yet Founder, Derek Bradshaw said we see the person, not a disability.

“As a community café, people are more important than labels and perceived disabilities. We focus on what people can do rather than what they can’t do,” he said.

Sunday 3 December is International Day of People with Disability and the 2017 theme is “transformation towards sustainable and resilient society for all”.

In Manningham, we are committed to promoting local and inclusive employment opportunities.

WATER SAFETY

If you own a swimming pool or spa, by law you need to meet government standards and regulations.

All swimming pools and spas with a water depth of 300mm (30cm) or more must have suitable child-resistant safety barriers. Don’t forget this includes portable, inflatable and paddle pools.

More information about pool and safety requirements

Inland waterways can contain many environments where drowning deaths can also occur. Rivers, lakes, dams, irrigation channels, water tanks and creeks have all been sites of drowning deaths.

IN BRIEF

manningham.vic.gov.au

THUNDERSTORM ASTHMA

Grass pollen season brings the chance of thunderstorm asthma. Thunderstorm asthma can affect those with asthma or hay fever, especially people who experience wheezing or coughing with their hay fever. It’s important for people with asthma or hay fever to know about thunderstorm asthma and what they can do to help protect themselves during grass pollen season. Don’t ignore symptoms like wheezing or shortness of breath; check with your GP.

FUTURE PLANS FOR WESTFIELD DONCASTER

Council is seeking feedback on a proposal that would enable future development at Westfield Doncaster. This includes changes to an original proposal from July 2016, following the acquisition of an adjoining site in Westfield Drive by Scentre Group (Westfield). The proposal includes new planning controls and a draft development plan for the centre. Submissions close Monday 27 November 2017.

CHANGES TO HARD RUBBISH BOOKING CONFIRMATION

Confirmed bookings will now be sent by email or SMS outlining the details of your booking dates and a reminder SMS will also be sent to you the Friday before you are required to place your hard waste items out for collection. Hard waste stickers are no longer required. If you are concerned about people adding to your pile you can still get a sticker from Council.

TEMPLESTOWE WAR MEMORIAL

ANZAC Day 2018 marks 100 years of ANZAC. Ahead of the formal ANZAC events, a new plaque and flagpoles are being installed at the Templestowe War Memorial.

DISCO FEVER DELIGHTS!

Flash mob, paparazzi and a Mayor with a personality as big as her hair saw last month’s sold out Manningham Community Mayoral Ball raise more than $44,000 towards establishing a dedicated youth mental health outreach program in Manningham. Hosted by entertainment personality, Queen of the Red Carpet, Ivana Babbleoff and Cr Kleinert, guests enjoyed a three-course meal, live entertainment and danced the night away.

Close to 400 people including dignitaries and community leaders attended the disco-themed Ball, with many more generously donating and buying raffle tickets to support the cause.

Mayor Cr Michelle Kleinert said she was incredibly humbled by the support shown by the community.

“I would like to thank all our sponsors, local businesses and community groups who donated raffle and auction prizes and everyone who donated their time and money to help raise money for this worthy cause,” she said.

“The community’s enthusiasm and dedication to raising funds and establishing this service is truly overwhelming. Our youths face a very bright future.”

Council is excited to be working with headspace Hawthorn and YMCA Manningham Youth Services to introduce this outreach program to Manningham.

This program is designed to make it as easy as possible for young people aged 12 to 25 years old to access support affecting their wellbeing locally.

Dr. Harry Majewski, CEO Access Health and Community, the lead agency for headspace Hawthorn, said it was a great opportunity to work with Council in establishing the service to support young people and their families with mental health issues.

Thank you to everyone who helped make the event such a success for their generous support and congratulations to the winners of the Kiwanis Club of Manningham raffle.

Program partners:

With thanks to the 2017 Community Mayoral Ball event partners:

Prepare for summer. It is important to consider natural hazard and emergency risks that may affect you and your family, including bushfire, grassfire, storms, severe weather, power outages and heatwaves.

All swimming pools and spas that can hold water more than 30cm deep must have suitable child-resistant safety barriers, this includes portable, inflatable and paddle pools.

### Good Sports

This year all sporting facilities across Manningham received recycle bins. The bins accept items such as empty aluminium or steel cans, glass bottles and jars, papers, envelopes, magazines, newspapers and cardboard boxes.

Remember when you are enjoying your next day out at your local Manningham sporting club to ‘Recycle Right’.

---

### RECYCLE RIGHT

**National Recycling Week**
**Monday 13 to Sunday 19 November.**

Key points to remember when recycling:

- All recyclables must be placed loose into the recycle bin. This enables staff and the machinery to easily identify each item for sorting.
- Plastic bags and soft plastic packaging such as chip packets, biscuit packaging, plastic shopping bags, lolly wrappers and bread bags must be placed into your garbage bin.
- The best way to recycle plastic bags and soft plastic is to return them to your local supermarket for recycling.
- The triangles with numbers 1-7 found on plastic items advise you what type of plastic the item is made from not whether the item can be recycled.
