Welcome to the New Year. It has been a busy start and we are committed to making 2018 another fantastic year for our community.

This time of year is still quite warm. I’d like to remind everyone to be prepared with a plan and a back up plan, so you are ready in the event of an emergency.

Our local CFA volunteers work tirelessly to defend our community. Getting ready and knowing what to do in an emergency is something we can do to help them. Page 6 includes information about summer essentials. To further support the efforts of our local CFA volunteers, this year’s Mayoral Ball will be raising funds for some much needed firefighting equipment.

CFA volunteers are one example of people who go above and beyond for our community.

Throughout Manningham there are many community minded individuals and organisations. Our Civic Awards recognise those people who are dedicated to making a difference in our local area. If you know someone you believe deserves recognition for their civic endeavours and would like to nominate them, see below.

Applications are also open for the Manningham Community Grant Program until 5.00pm on Friday 9 March. This is a great opportunity for community groups or organisations to apply for additional funding. On page 9, you can read about the three categories and find out how to apply.

Reading Manningham Matters is one of many ways you can stay up to date about the projects, services or events that interest you. Visit our website manningham.vic.gov.au for information or yoursaymanningham.com.au to share your feedback. Connect with us on Facebook, Instagram or Twitter. Speak with us in person, on the phone or at one of our listening posts, which will be held throughout 2018.

Finally, to the many people in our community who’ll be celebrating the Chinese New Year or Persian New Year, on behalf of Council, I wish you all peace and prosperity in the year ahead. ■

Cr Andrew Conlon
Mayor

CIVIC AWARDS

Applications are now open for the Manningham Civic Awards 2018.

There are five categories for nominations:

- Citizen of the Year Award
- Young Citizen of the Year Award
- Volunteer of the Year Award
- Sportsperson of the Year Award
- Community Achievement Award

Find out more information or nominate today, submissions close 4.00pm on 28 March. ■

**Manningham Learns**

'We will learn together' is the promise Manningham Learns makes to the community.

Collectively Manningham’s five Neighbourhood Houses have amazing services to offer. All of these are now easily accessible through one website. Regardless of your age, gender, ability or background there is something on offer. We encourage you to get involved and connect with like-minded people through the many social and learning activities available in Manningham.

[manninghamlearns.com](http://manninghamlearns.com)

**Your Say**

Your Say Manningham is Council’s online consultation portal where you can voice your opinions, share ideas and provide feedback on issues and projects that are important to you. If you would like to receive updates from us in relation to our projects you can register online.

Our waste contractors collect your bins all year round. Don’t forget the hydraulic arm on our trucks cannot lift more than 75 kg.

The search is on for our community heroes. Nominations for the 2018 #ManninghamCivicAwards are now open.

[community heroes](http://manningham.vic.gov.au/civic-awards)

Our What’s On #calendar is always packed with things to do locally.

Manningham is a great place to have fun in the sun but don’t forget to wear a hat and sunscreen and take a bottle of water with you.

Visit Better Health for tips on surviving the heat:

By 2035 the traffic volume is expected to increase to 15,000 vehicles per day. The existing road cannot safely accommodate this significant increase in traffic, in its current form.

Given the importance of the road to the local and surrounding road network and safety issues with the expected increase in road use, it will be upgraded over several stages. This will be undertaken in accordance with the Jumping Creek Road Development Framework.

**STAGE 1**
(RINGWOOD-WARRANDYTE ROAD TO JUMPING CREEK BRIDGE)

The preliminary design for the Stage 1 works has been completed in consultation with the Jumping Creek Road Community Reference Panel. A planning permit application for Stage 1A is due to be submitted in February 2018. This is required for vegetation removal, construction of retaining walls and a pedestrian path along this section of Jumping Creek Road.

Construction of Stage 1 will be undertaken in the following stages:

- **Stage 1A (commencing June 2018):**
  Ringwood-Warrandyte Road to Nelson Drive (subject to planning approval)
- **Stage 1B (commencing in early 2019):** Nelson Drive to the approach of the Jumping Creek Bridge

Staging of the works is necessary to ensure that works affecting traffic are limited to minimise impacts during the fire danger season.

**STAGE 1A (RINGWOOD–WARRANDYTE ROAD TO NELSON DRIVE)**

The detailed design for Stage 1A is currently being finalised and construction works are scheduled to commence in June 2018. Some traffic disruption is expected during the works, however every effort will be made to ensure that Jumping Creek Road remains open to traffic at all times.

These works will include:

- lowering the road to provide improved sight lines at the crest
- construction of the road including kerb and channel as well as underground drainage
- construction of a gravel pedestrian path along the west side of the road
- installation of guard rail on both sides of the road, as required
- construction of a retaining wall on the eastern side of the road at the crest
- associated vegetation removal and revegetation works.

For more information or to continue receiving updates on the Jumping Creek Road upgrade

HELP US FIND THE BALANCE
FUTURE PLANNING IN THE GREEN
WEDGE AND RURAL AREAS

The Manningham Green Wedge and surrounding rural areas provide a country lifestyle for some residents, as well as providing business and tourism opportunities. Many of these areas also have high environmental values.

As your Council, our role is to balance competing interests between the use of land:
- for rural living,
- enabling economic opportunities and employment including agriculture and tourism, and
- the protection of the natural environment.

We are proposing changes to help us better plan for the area in the future.
If you live, work or visit our rural areas - we want your feedback on the proposed Amendment C117 to the Manningham Planning Scheme.

Submit your feedback through yoursaymanningham.com.au/C117
Submissions close Monday 16 April 2018.
Summer Essentials

Are you prepared? During summer it is important to consider natural hazards and emergency risks that may affect you and your family.

PLAN AND PREPARE
You don’t have to live near bushland to be at risk of fire. Grassfires can be just as dangerous as bushfires, know what to do if you live close to grassland in a rural area or where the suburbs meet grasslands.

- cfa.vic.gov.au/about/plan-and-prepare

BACK UP PLANS
Fires are unpredictable and plans can fail. Having a back-up plan that identifies your shelter or last resort options may save your life if you are caught in a fire.

- cfa.vic.gov.au/plan-prepare/back-up-plans

STAY INFORMED
Download the VicEmergency app for access to community information and warnings for all types of emergencies occurring in Victoria.

- emergency.vic.gov.au
- cfa.vic.gov.au/plan-prepare/vicemergency-app
- manningham.vic.gov.au/emergency

MONITOR EMERGENCY WARNINGS
Tune into local radio ABC 774, Eastern 98.1FM and/or Plenty Valley 88.6FM.

Stay aware, emergency alert information may be sent to your landline as a voice message or to your mobile phone as a text message. This will occur if your phone is located within an area being impacted by an emergency and phone service is available.

Download the Bureau of Meteorology app. This can be customised to your location for detailed weather information.

- bom.gov.au
DON'T FORGET:

TO CONNECT WITH YOUR NEIGHBOURS

Discuss your emergency plan and how you can support each other. Identify neighbours who may need assistance planning for an emergency and discuss how you may be able to help.

PLAN FOR PETS

Ensure you have a way to safely transport your pets and livestock. If possible, have options for places your pets can stay in the event of an emergency.

PLAN RECOVERY

Review and update your insurance.

We all have a role to play in preparing for natural hazards and emergency risks.

---

SUSTAIN THE HEAT THIS SUMMER:

- Drink more water
- Never leave people or pets in a car
- Stay somewhere cool
- Plan ahead
- Check in on others

---

POSITIVE CHARGE SURPASSES SOLAR MILESTONE

Manningham’s partnership with Positive Charge has surpassed a significant milestone – over 110 household solar photovoltaic systems have been installed by Manningham residents through the program.

Supported and facilitated by Council, Positive Charge has selected a tried and tested solar installer to ensure quality solar systems are available to the community at affordable prices.

A total of 117 Manningham residents have collectively invested in about 460 kilowatts of solar, helping them cut about $110,000 from their annual energy bills and reduce greenhouse gas emissions by about 13,000 tonnes – doing their bit for the environment and their hip pockets.

Manningham is one of 11 Victorian and 10 New South Wales councils that have partnered with Positive Charge.

As you get older, keeping physically active and engaged is crucial to maintaining general wellbeing, however standard exercise programs may not suit everyone. The GymActive program run by Doncaster Rehabilitation Services at MannaCare has been operating close to two years with an array of regular clients.

“The GymActive program takes advantage of Doncaster Rehabilitation Services’ state of the art strength and cardio exercise equipment designed to meet the needs of older people,” said Doncaster Rehabilitation Services Team Leader, Dharani Nagarajan.

“It also incorporates stretching, strengthening, balance and co-ordination exercises,” he said.

Clients can access the gym multiple times throughout the week on Monday, Wednesday and Friday. Clients must be assessed to see if they are eligible for GymActive.

For more information contact Doncaster Rehabilitation Services.

Community Grants
OPEN NOW
Applications for Manningham’s Grant Program are open until 5.00pm on Friday 9 March.
Does your community group or organisation deliver activities that involve and benefit our local community?
If the answer is yes, one of our grants could help!

COMMUNITY DEVELOPMENT GRANTS ($3,001 TO $20,000)
Activities that benefit and meet the needs of Manningham’s diverse community.

ARTS AND CULTURE GRANTS ($3,001 – $20,000)
Activities that celebrate community life and enhance community connections by providing access to local arts, culture and heritage.

SMALL GRANTS
COMMUNITY STRENGTHENING UP TO $3,000 OR EQUIPMENT PURCHASE UP TO $1,500
Support one-off, innovative activities that strengthen our community and enhance the quality of life of Manningham residents.
This grant is available twice per year in February and September 2018.

International Women’s Day

International Women’s Day celebrates the social, economic, cultural and political achievements of women. This year, join us at our International Women’s Day Dinner.

Guest speaker Nova Peris OAM was Australia’s first Indigenous woman elected to the Federal Parliament and the first Aboriginal Australian and Northern Territorian to win an Olympic gold medal. Nova was awarded Young Australian of the Year in 1997, received an OAM in January 1997 and the Australian Sports Medal in 2000. She has also actively participated in promotional and advocacy campaigns for domestic violence, youth, depression and youth suicide.

Nova promises to be an engaging and intriguing speaker, truly representing an inclusive future.

Our MC for the evening is Jo Pearson, one of Australia’s leading media identities.

The night will also be a fundraiser for the Food For Thought Network which promotes awareness about the barriers and enablers to women’s development. The network supports women where adversity may stand in the way of achieving their potential.

INTERNATIONAL WOMEN’S DAY DINNER
Thursday 8 March, 7.00pm to 10.00pm
Manningham Function Centre, 699 Doncaster Road, Doncaster
Tickets $65 per person (includes 2 course meal, beverages and guest speaker)

manningham.vic.gov.au/iwd

Warrandyte Festival

Warrandyte Festival is a chance for the community to come together to eat, drink, dance, billy-cart, parade, create, sing and celebrate on the banks of the Yarra River in beautiful Warrandyte. Enjoy a craft market, delicious food stalls, live music, dance classes, short films, street parade and loads more!

This year at the festival, Manningham Council presents Polyglot Theatre’s Ants. Ants is an interactive roving performance which has giant ant performers bringing children together in a gentle and unusual landscaping project. See them throughout the day, help them with their crumbs and make your own ant antennae!

The Warrandyte Festival is supported by Manningham City Council’s Community Partnership.

The full program will be available online from late February 2018 and in local shops.

Warrandyte Festival
Friday 16 March to Sunday 18 March
Stiggants Reserve, Warrandyte
warrandytefestival.org
OUR PERFORMANCE RESULTS

Performance reporting is a key part of council transparency, accountability and performance. The Local Government Performance Reporting Framework is mandatory for all Victorian councils.

The results for 2016/17 are in. Manningham has performed well in many areas, with the results also highlighting some areas for further improvement.

WE RANKED WELL

Food Safety
Our time taken to action food complaints was twice as fast as the average for all councils. We also achieved positive results for our food safety inspections and follow up work after major or critical non-conformance is detected.

Governance
Compared to both all councils and similar councils, we ranked highly in transparency, councillor attendance and council decisions. This outstanding result demonstrates Manningham Council’s continued commitment to open and transparent decision making.

Waste
The cost of Manningham’s kerbside recyclable collection service per bin was considerably less than all councils and half that of similar councils. Our percentage of kerbside collection waste diverted from landfill was higher than average, at over 53 per cent.

Animal Management
We actioned animal management requests in half the time of all other councils. Manningham’s animal management service cost was lower compared to other councils and we had a higher percentage of animals reclaimed from council.

WORKING TO IMPROVE

Statutory Planning
The results showed the time taken to decide planning applications was above average. Council is continuing to implement improvements to reduce timeframes. Late last year Manningham was completing 64 per cent of planning applications within 60 days, compared to similar metropolitan councils at 55 per cent. We are working hard to reduce these processing times further through a range of new online planning submission and processing options.

Roads
Compared to all councils, we ranked well for road conditions and on par with similar councils in terms of satisfaction. However, the results showed compared to all councils, we were above average in relation to the cost of sealed local road reconstruction (per square metre). In terms of resealing (per square metre) we were above average compared to all councils but comparable in cost to similar councils.

IN BRIEF

Hard waste and garden waste collections

Each calendar year, residents with a Council residential waste service are entitled to either:

- two household hard rubbish (waste) collections, or
- two household bundled garden waste (branches) collections, or
- a combination of one hard rubbish (waste) collection and one bundled branches (garden waste) collection.

These collections are an opportunity to dispose of unwanted household items or garden waste that cannot be placed into your household bins.
