Message from THE MAYOR

Our 2018/19 Annual Budget and Strategic Resource Plan was recently endorsed by Council. In developing our budget, we believe we have taken a balanced approach to providing relevant and cost effective services and infrastructure to our community.

The rate revenue you contribute is our largest source of funding for the delivery of more than 100 services and important infrastructure. If you would like to know more about how we are investing in Manningham’s future, turn to pages 4 to 7 to look at our budget and priorities in more detail.

This financial year, $1.5 million has been earmarked for park improvements in Manningham.

Our parks are such a valuable part of our community. They are a place we can get out in the fresh air to spend quality time with our family, friends and much loved pets. We are inviting you to get involved in an exciting new initiative called Parks Alive. It is a chance to leave your mark and help shape the future of some of our much loved local parks and playspaces.

I am very fortunate to meet so many amazing community members.

It was an honour to recognise community minded people at our Manningham Civic Awards. Congratulations to our 2018 winners and thank you to all our nominees.

We celebrate our 2018 Manningham Civic Awards winners on page 8.

In this issue of Manningham Matters you can read about what some of our community groups, schools and volunteer organisations are up to and discover a huge range of local events.

If you would like to share your local story or event with us, simply visit manningham.vic.gov.au/submit-a-story.

Cr Andrew Conlon
Mayor

WOMEN INSPIRING BUSINESS 2018

This year our guest speaker at Manningham’s Women Inspiring Business Lunch is 4 Ingredients author and entrepreneur, Kim McCosker. Kim will share her amazing story of life so far. Be inspired, encouraged and entertained by her simple, hardworking and determined recipe for success.

Women Inspiring Business Lunch
Wednesday 5 September, 12 noon to 2.30pm
Manningham Function Centre
699 Doncaster Road, Doncaster

Manningham Mayor, Cr Andrew Conlon said in developing the 2018/19 Annual Budget and Strategic Resource Plan, we were mindful of the ever increasing challenges facing the local government sector while ensuring Council’s longer term financial sustainability.

“We believe we have taken a balanced approach to providing relevant and cost effective services and infrastructure to our community.”

Manningham CEO, Warwick Winn said our priority is delivering the services and infrastructure our community need, in a cost effective manner, in order to maintain the State Government’s rate capping requirements.

“The key to achieving this is finding savings, ongoing efficiencies and developing new revenue sources where possible.”

The 2018/19 Annual Budget of $153 million includes $35 million for the capital works program and $118 million for service provision.

Rate revenue is Manningham’s largest source of funding to deliver infrastructure and services. We use rate revenue to maintain local roads, streetlights, buildings, drains, bridges, footpaths, cycle trails, parks, playgrounds, libraries and sporting facilities. As well as providing services such as waste management, public health, planning and building. It also supports our children, families, aged and vulnerable members of our community through maternal and child health, disability and aged care services.

For 2018/19, the combined Council rates and waste charges for an average property in Manningham with a standard waste service will increase by 4.2% or $81.40.

This represents a total rates and waste charges bill of $2,031.61 for the average property in Manningham. This is based on a 2.25% increase in the general rate and a 20% increase for the waste and recycling charge (see page 6).

Manningham Council has adopted its 2018/19 Budget. Our budget has a strong focus on improving and investing in roads, drainage, public open space and cost effective service delivery to ensure long term financial sustainability.
Key highlights of the budget include:

A $118 MILLION OPERATING BUDGET THAT PROVIDES FUNDING TO DELIVER SERVICES TO THE COMMUNITY INCLUDING:

- $13.4 million for waste and recycling, street cleaning and litter pick up
- $12.9 million for the maintenance of sportsgrounds, parks and gardens
- $12.7 million for the maintenance of roads, streets and bridges
- $10.1 million for aged and disability support
- $8.0 million for community services
- $5.6 million for maintaining and operating community buildings
- $4.8 million for strategic land-use, open space and recreation planning
- $4.5 million for food safety, animal management and traffic management
- $4.3 million for capital works management and infrastructure planning
- $4.2 million for libraries
- $4.0 million for maintaining drains
- $3.9 million for statutory planning
- $3.5 million for customer service
- $2.5 million for maintaining footpaths
- $1.1 million for economic development and tourism

AN EXTENSIVE $35 MILLION CAPITAL WORKS PROGRAM COMPRISING:

- $14.7 million for roads (including $7.0 million for road resales and refurbishment, $3.4 million for the King Street upgrade and $2.3 million for Jumping Creek Road upgrade)
- $4.7 million for community buildings (including $2.5 million for the ongoing renewal of community buildings and $1.1 million for the Domeney Reserve Pavilion upgrade)
- $4.5 million for drainage improvements
- $3.5 million to renew Council’s core IT and telecommunications infrastructure
- $2.7 million for parks, open space and neighbourhood activity centres (improvements to Ruffey Lake Park, Green Gully Linear Park, Lawford Reserve, Mullum Creek Linear Park)
- $2.3 million for plant and equipment
- $1.9 million to improve footpaths

FIND OUT MORE
YOUR WASTE AND RECYCLING CHARGE

Following China’s ban on certain imports, recycling companies have introduced new fees for accepting recycling material.

Previously, recycling companies paid Council a fee to take our recycling materials which was used to offset the costs of waste collection services. We now pay a fee to the recycling company, resulting in a significant cost increase.

The 2018/19 Annual Budget includes a standard waste and recycling service charge (80 litre waste, 240 litre recycling, 240 litre garden waste) of $254.50.

While Council achieves the mandated rate cap of 2.25% for general rates, the waste and recycling charge is excluded from the State Government rate cap.
Your Insights

We recently heard from you as part of the 2018 Local Government Community Satisfaction Survey. The survey is all about assessing how we are performing and getting your thoughts on how we can improve.

You rated our top performing areas for 2018 as customer service, waste management, elderly support services and environmental sustainability. Compared to 2017 results, we saw the greatest improvements in community consultation and in customer service, building on the success of our Citizen Connect program to provide a valued, consistent and improved customer service experience through the creation of a centralised customer service contact centre.

Initial results have shown an improvement from 27 per cent to 66 per cent of all customer calls now being resolved through first contact with the contact centre. The success of the new contact centre has also been recognised through a ‘Highly Commended’ award in this year’s Municipal Association of Victoria’s Customer Experience Achievement of the Year awards category.

We also outperformed the State average in 4 service areas - overall performance, environmental sustainability, making community decisions and sealed local roads.

You also flagged some areas for improvement - the nature of development in Manningham, sealed road maintenance and community consultation. We are committed to working with you to improve in these areas.

SUBMIT AND PAY YOUR ENGINEERING APPLICATIONS ONLINE

We are continuing to provide more online services for your convenience.

If you need to apply for engineering approval, simply visit our website to:

- Submit the application
- Make a payment

You no longer need to submit your application in person or mail hard copy documents.

manningham.vic.gov.au

SOME EXAMPLES OF THE TYPES OF APPLICATIONS YOU CAN APPLY FOR ONLINE INCLUDE:

Drainage applications
- Onsite Stormwater Detention – Multi-Unit
- Building Over an Easement
- Point of Drainage Discharge
- Connect into Council Drain – Single Dwelling

Road applications
- Temporary Road Closures
- Works within Road Reserves

Please visit our website for a full list of engineering applications you can now submit and pay for online.
YMCA YOUTH PARLIAMENT

YMCA Manningham Youth Services partnered with Donvale Christian College to send 6 students to this year’s Victoria’s YMCA Youth Parliament. These 6 students proudly represented our community.

The students entered the chambers of Government House earlier this month to showcase their skills and passion.

They debated and advocated for a review of all commercial and public buildings in Victoria. Their aim was to ensure buildings are accessible to all people, particularly those with a disability.

Victoria’s YMCA Youth Parliament is a program designed to give young Victorians aged 16 to 25 years a chance to be heard at the highest levels of State Government. The program covers a wide range of issues relevant to young people’s lives.

The Manningham-Donvale team joined 20 other teams from across Victoria.

vicyouth.ymca.org.au/programs/youth-parliament.html

MANNINGHAM CELEBRATES COMMUNITY SUCCESS

Our Manningham Civic Awards celebrate individuals and community groups who are busy making a difference and contributing to our community.

The 2018 Manningham Civic Award winners are:

- Citizen of the Year – Geoff Roberts
- Young Citizen of the Year – Jade L Chan
- Sport Achievement Highly Commended Award – Alf Molinaro
- Sport Achievement Award – Fiona Huber
- Volunteer of the Year Judges Commendation Award – Kristie Chapman
- Volunteer of the Year – Teresa Clarke
- Community Achievement Highly Commended – Kids Hope Mentors
- Community Achievement Award – Women’s Friendship Group

Congratulations to our 2018 Manningham Civic Award winners and thank you to all our nominees. Your collective efforts help make Manningham a warm and caring community.

We know there are many unsung heroes going above and beyond in Manningham. Help us to recognise them and their achievements. Simply share their stories with us when nominations open again in December 2018.

Manningham Parkinson’s Peer Support Group

Parkinson’s is a neurological condition that impacts how the brain controls physical movements, such as walking, talking and writing. Parkinsons affects people in different ways and symptoms can vary.

The Manningham Parkinson’s Peer Support Group gives people the opportunity to learn more about living with Parkinsons. The group also provides a chance to meet and build friendships with others in a similar situation.

First Friday of the month (except January)
2.00pm to 4.00pm

Join Manningham’s exciting Parks Alive initiative – help shape the future of some of our local parks and playspaces.

Your local park is a place to walk the dog, let the kids play, or just escape the rush of daily life for a few minutes to relax and breathe.

$1.5 million has been earmarked for park upgrades in Manningham in 2018/19.

Now, we are inviting you to get involved in improving and leaving your mark in your local park.

Parks Alive is your opportunity to help shape your local park.

This could be planning and carrying out improvements, such as tree planting or setting up a community vegetable patch, helping to keep your park tidy and well maintained, organising community events and much more.

The first 6 parks to be enhanced as part of Parks Alive are:

- Jocelyn Reserve in Doncaster East
- Katrina Gully Playspace in Doncaster
- Tasker Reserve in Templestowe Lower
- Ronald Reserve in Bulleen
- Kerry Anne Reserve North and South in Wonga Park
- Fernlea Reserve in Doncaster East.

GET INVOLVED

We recently launched the program and are excited to get started.

MANNINGHAM STATE EMERGENCY SERVICE WELCOMES NEW MEMBERS

Recently, the Manningham State Emergency Service (SES) welcomed 4 new members. They all want to assist our local community by learning new skills to help people during times of storms and floods.

We asked each of them to tell us a little about themselves and why they have joined the SES.

Ashley Scott was a professional pilot for 42 years – flying with the Royal Australian Navy and Qantas. In 1984 he applied to join the SES but due to work commitments was not accepted at that time. 34 years later and now retired, he has joined the SES and is loving it.

Ashley enjoys learning new skills, working with people of varying ages and helping the community.

Dom Fammartino joined the SES knowing that he could be a part of helping the community to prepare for, respond to and recover from emergencies. He said he receives no greater satisfaction than helping organisations like the Victoria State Emergency Service, Police, Ambulance and the Country Fire Authority, in any way he can.

Dom also wants to be a role model to his 9 year old son Jett, in the hope that he will develop these traits and follow in his dad’s footsteps.

Josh Corsello is 20 years old and is studying his Certificate 3 in Horticulture while also working. He was keen to join the SES as he wants to learn lots of new things. His mum Helena is also a member of the Manningham SES.

Rachel Brooke is currently studying her second year of a Bachelor of Arts/Law degree.

Rachel joined the SES because she loves to help her community and is keen to develop skills that she can use later in life.

She also believes that the SES will provide valuable experience working as part of a team in stressful situations.
Until Saturday 11 August
