Over the past year I have had the absolute honour of being Manningham’s Mayor.
As we head toward the Christmas season, I wanted to take this opportunity to thank everyone for what has been a wonderful year in Manningham.

A true highlight has been seeing the fantastic work our community groups are doing to bring people together. We have a great volunteering spirit in Manningham and I was not surprised to see that in the recent Domain Healthy Melbourne Study, Warrandyte recorded one of the highest scores for volunteering in Melbourne.

There are many opportunities to volunteer your time locally both at Christmas and year round, for more details see page 6.

With summer now upon us it’s time to get out and enjoy everything that Manningham has to offer.

It’s also time to check your emergency plan and make sure your home and family are prepared for the upcoming bushfire season.

By the time you receive this issue of Manningham Matters, our 2019 Mayor will have been appointed, I encourage you to check our website for an update.

I would like to thank my fellow councillors and Council staff for continuing to work as a team to deliver on behalf of our community. I would also like to thank the community for making Manningham such a great place to live, work and play.

Wishing you all a merry Christmas and a happy New Year.

Cr Andrew Conlon
Mayor

The Manningham Mayoral Fireball was celebrated by a sold-out crowd of 400 people at the Manningham Function Centre on Saturday 27 October.

Having experienced bushfire himself, Mayor Cr Andrew Conlon dedicated the 2018 Mayoral Ball to raising funds for Manningham’s three CFA brigades to purchase equipment.

A fundraising event with online and live auctions, dinner and dancing, the event raised over $80,000 which will go towards buying equipment for CFA volunteers.

Thank you to all of our sponsors and supporters. You can still donate at fireball.org.au/donate
Empowering people with disabilities

International Day of People with Disability is on Monday 3 December and this year’s theme is ‘Empowering persons with disabilities and ensuring inclusiveness and equality’.

In Manningham 5% of people report needing help in their day-to-day lives due to disability. We run a host of activities, programs and initiatives that create a more inclusive community.

Maysa Abouzeid (pictured) is vision impaired and was a panel member at our Inclusion@Work breakfast earlier in the year, which encourages businesses to employ people with a disability in our community.

“When a person with a disability enters the workforce and has the opportunity to contribute in a meaningful way, they often take great ownership of the role and treasure the opportunity.

“If employers can have an open mind and keep the lines of communication open, then a person with a disability can be an asset to their business,” Maysa said.

Summertime fun

With the weather heating up and longer summer days now upon us, there's no better time to head out and explore the best that Manningham has to offer.

There's always new treasures to discover close to home or you can invite your family and friends and show them what is special about your local area.

Make sure you check these off your list this summer.

PACK A PICNIC

The bank of the Yarra River in Warrandyte is an ideal place to sit and enjoy the warm weather. Bring a rug and picnic basket or stop by one of the local shops to pick up some fresh food on your way - there's something for everyone. If the heat gets too much, pop into one of the local shops or cafes to enjoy an ice cream or cold drink.

manningham.vic.gov.au/warrandyte-river-reserve

GO FOR A DIP

Aquarena Aquatic and Leisure Centre is a great place to cool off this summer. There's fun for the whole family with the giant outdoor waterslides and the Splash Pad zone. You can enjoy the diving boards, an outdoor toddler pool, or the cafè if sitting down and just relaxing is more your style.

POP TO THE PARK

Head to your nearest park for a friendly match of cricket or to kick a football. Our parks and playspaces offer plenty of room to stretch your legs and go for a stroll. Better yet, ask your neighbours to come along and make a day of it - you might make some new friends.

DINE OUTDOORS

With so many fantastic cafès and restaurants, Manningham has everything you need for a feast. Many of our eateries have outdoor seating areas. Daylight savings provides the perfect opportunity to sit outside and enjoy a nice meal with friends.

**TAKE CARE IN the heat this summer**

With summer fast approaching it’s important to make sure you’re prepared for, and know what to do during extreme heat.

A heatwave is an emergency that many people underestimate and it can have serious and potentially life-threatening consequences.

**SURVIVE THE HEAT**

- **Drink water**
  - Even if you don’t feel thirsty, drink water. Take a bottle with you always.

- **Keep cool**
  - Seek out air-conditioned buildings, draw your blinds, use a fan, take cool showers and dress in light and loose clothing made from natural fabrics.

- **Hot cars can kill**
  - Never leave kids, older people or pets in cars. The temperature inside a parked car can double within minutes.

- **Plan ahead**
  - Schedule activities in the coolest part of the day and avoid exercising in the heat. If you must go out, wear a hat and sunscreen and take a bottle of water with you.

- **Check in on others**
  - Look after those most at risk in the heat – your neighbour living alone, older people, the young, people with a medical condition and don’t forget your pets.

**FOR MORE INFORMATION**

- If you are unwell, see your doctor or call NURSE-ON-CALL 1300 60 60 24 or in an emergency 000

---

**STAYING BUSHFIRE AWARE**

As we head into summer, it’s important to be aware of the increased risk of bushfire in parts of Manningham.

Make sure you and your family have prepared your property to reduce the risk of bushfire.

It’s also important to know what to do in the event of an emergency and have an emergency plan for your home and family.

If you are travelling or heading out for the day ensure you keep informed of any warnings by downloading the VicEmergency App on your phone.

**ENSURE YOU:**

- Know your risks
- Have an emergency plan
- Have a backup plan
- Plan for your pets
- Stay informed via the VicEmergency App

Show your goodwill this holiday season

Get into the Christmas spirit by supporting those who are less fortunate in our community. There are a range of ways you can show your support this Christmas season.

VOLUNTEER YOUR TIME

If you’re interested in rolling up your sleeves and giving up a few hours of your time, you can help with things such as:

- collecting, sorting, packing and delivering food hampers and gifts
- wrapping donated gifts at shopping centres
- distributing food and other essential items for emergency relief providers.

You don’t have to wait for Christmas to volunteer, you can give your time throughout the year.

MAKE A DONATION

For families who celebrate Christmas, it can be an expensive time. However, there are many people in our community who can’t afford to buy enough food, let alone gifts for their children.

Why not donate to an organisation that distributes gifts and food to people in need?

Organisations include:
- Doncare
- Anglicare
- Melbourne Basket Brigade
- Melbourne City Mission
- Sacred Heart Mission
- the Salvation Army
- Starlight Foundation
- St Vincent de Paul
- The Smith Family
- Wesley Mission
- UnitingCare.

Don’t forget our furry friends too by giving to rescue organisations such as the RSPCA.

Send your good tidings to those doing it tough this Christmas. The festive season is a great time to get involved and show how much you care.

Sporting clubs will win at Riechiecks Reserve

Manningham sporting clubs will enjoy new facilities at Riechiecks Reserve in Doncaster East, thanks to joint funding from Council, the Victorian Government and AFL Victoria.

During October, the Victorian Government announced $165,000 of funding for the upgrade.

Manningham Cricket Club, Doncaster Little Athletics Club, Doncaster Athletic Club, Victorian Masters Athletics and the Yarra Junior Football League all use the facilities at Riechiecks Reserve.

The estimated $900,000 refurbishment of the sporting pavilion will include three change rooms, a separate change space that can be converted to a social space as well as a gymnasium, umpire’s room and storage.

Council has contributed approximately $645,000 to the project and AFL Victoria has provided $90,000. The Victorian Government’s contribution is part of their Community Sports Infrastructure Fund.

Kicking goals and scoring runs: Colman Park upgraded

Football and cricket facilities at Colman Park in Warrandyte South have been vastly improved, thanks to almost $1.7 million in refurbishments.

There are now extended social rooms, better storage, player and umpire change rooms, improved accessibility and viewing capacity for spectators in all weather. A new playspace has also been installed, while the landscaping and car park will also be upgraded.

In addition to our $1.5 million in funding, the following contributions were also made:

- Warrandyte Community Bank
  $75,000

- AFL Victoria
  $50,000

- Cricket Victoria
  $20,000

- Cricket Australia
  $20,000

- South Warrandyte Cricket Club
  $20,000

- Park Orchards North Ringwood Parish Junior Football Club
  $10,000.

Park Orchards North Ringwood Parish Junior Football Club President Ritchie Appleby said, “Having purpose built facilities for both male and female players has made a huge difference — we have gone from 0 female players two years ago to over 150 today.”

South Warrandyte Cricket Club President Matt Fasan said: “Before these works, the players didn’t have proper change rooms so they are all fairly impressed.”

In the 1940s, the land on which Colman Park stands was bought for £1500 from the grandmother of Olympic gold medal winning hurdler Debbie Flintoff-King.
