Message from OUR MAYOR

With the State Government’s development of the North East Link (NEL) project and its significant impact, we are urging all our community to keep up to date with developments and how you can have a chance to be heard in the process.

The next step involves the preparation of an Environment Effects Statement (EES) and while the final decisions do not sit with Council, we encourage you to provide a submission directly to the State Government. You can find out how to do this on page 9.

We come together in April to mark ANZAC Day and remember those who served to protect our country.

There are some great activities at RSLs across Manningham, I encourage you to head along to either Doncaster, Templestowe or Warrandyte on Thursday 25 April.

I had the pleasure of meeting Pam Sheehan of Doncaster recently – she has attended all 3 services on ANZAC Day the last few years and is passionate about how the day gives us “a time to come together as a community to pay respect for and reflect on previous generations contributions to the life and country we enjoy now”.

Every year I am again reminded at these services of our rich history, generations gather together to share well over 100 years of stories and experiences and keep the ANZAC spirit alive. I am thrilled to see how everyone gets involved – from those who served to primary school students, football clubs, and scouts.

Our cultural celebrations continue this month, with Easter and the Melbourne Passion Play on again in Templestowe. You can find more details on page 11.

While the weather is cooling down, we continue to work with our community on preparation for all types of emergencies.

It is important to make sure we are all equipped for not only bushfire, but other types of emergencies like storms, floods, house fires and heatwaves. You can help us to shape how we prepare for these by completing our Emergency Aware Survey online, see page 3.

Cr Paula Piccinini
Mayor

Find out what’s near you

Did you know that you can find your closest services, parks and even library on our website?

Our What’s Near Me? feature makes it easy to pop in your address and see information specific to you. You can find your ward, councillors and bin collection days, as well as your nearest maternal and child health service, library, parks and reserves.

manningham.vic.gov.au/whats-near-me
Are you emergency aware?

As part of our new Emergency Aware initiative, we want to hear from you to find out how prepared our community is for an emergency event such as a storm, flood, fire (house or bushfire) or heatwave.

Your feedback will help shape the new Emergency Aware program. This aims to assist neighbourhoods to develop home emergency plans and work together to be better prepared for an emergency. We’ll be working with a range of groups including Neighbourhood Watch, CFA, MFB, Victoria Police, SES and Red Cross on this program.

Complete our survey online today for your chance to win one of 3 $100 Visa gift cards.

🔗 yoursaymanningham.com.au/emergency

Remember to place all your items loosely in the recycle bin. Don’t bag your recycling. It can’t be opened at the sorting facility and ends up in landfill.

Don’t let your recycling efforts go to waste. Find out more about what can be recycled on our website.

The Melbourne Disc Golf League meet at Ruffey Lake Park and welcome new players of all ages.

🔗 manningham.vic.gov.au/melbourne-disc-golf-club-monthly-league-day
Show us what you love about exploring Manningham by submitting a photo before Wednesday 5 June.

There are 2 prizes to be won:
Under 18 — $1200 Visa gift card
Open — $1200 Visa gift card

How to enter
Anyone can enter with a photo taken in Manningham within the last 12 months.
Upload your high quality image online and see the full terms and conditions:
manningham.vic.gov.au/photo-competition

Judging
You will get to vote for your favourite photos online and have them shortlisted for the chance to win a prize. The top photos will be presented to a panel of judges who will decide which 2 photos catch their eye.
Taking the best photos

There are heaps of great resources online with tips and tricks for taking amazing photos, but we find that keeping things simple is often the best rule.

Here’s some advice from the photographers we work with who have shared their secret techniques to help you take your photos to the next level.

1. **Use the ‘rule of thirds’**
   Divide your image into thirds vertically and horizontally. Keep any key focal points in one of the intersecting lines.

2. **Shoot during the ‘golden hour’** (sunrise/sunset) - when the light becomes most interesting and you can avoid harsh, contrasting shadows.

3. **Avoid shooting down**.
   When taking photos of kids and pets, get down to their level.

4. **Avoid clutter**.
   Only include what needs to be in the frame.

5. **Avoid harsh light**.

6. **Move around** and find interesting angles to shoot from.

7. **Focus on the eyes** if you’re photographing a person or animal. This is where a lot of the communication happens.

8. **Think about the photo from the viewer’s perspective** – is it interesting?

9. **Hold your camera properly**.
   A DSLR should be supported at the base to avoid camera shake and tilt. Hold smartphones straight and avoid tilting them forward as the angle can cause lens distortion.

10. **Use a higher ISO in low light**.

11. **Use a custom white balance** for shooting sunsets.

12. **Control the focus on your smartphone**. There are some great apps that give you as much control as a DSLR.

13. **Learn to be self-critical**.

14. **Learn to take the best photos by taking lots of photos!**

---

**THIS GIRL CAN**

There’s plenty of ways to get active in Autumn. As part of our support of VicHealth’s This Girl Can campaign, we’re encouraging women of all ages to get out and try new activities.

Did you know that we have fitness equipment in a range of parks across Manningham? This is a great way to enjoy the outdoors and get active at the same time.

Some of our local parks that have fitness equipment include:
- Finns Reserve in Templestowe
- Jenkins Playspace, Green Gully Linear Park in Templestowe
- Morris Williams Reserve in Bulleen
- Koonung Park in Bulleen
- Doncaster Reserve in Doncaster East
- The Pines Reserve in Doncaster East
- Landscape Reserve in Doncaster East
- Ted Ajani Reserve in Templestowe Lower (pictured above)

**COME AND TRY EXERCISE IN THE PARK**

Join a local instructor and take part in an equipment orientation session to learn how to best use the outdoor fitness equipment.

**Saturday 4 May, 9.30am**
- Ted Ajani Reserve, Thompsons Road, Templestowe Lower

**Wednesday 8 May, 9.30am**
- Doncaster Reserve, corner Doncaster Road and Leeds Street, Doncaster East

One of Australia’s most important national occasions, ANZAC Day goes beyond the anniversary of the landing at Gallipoli in 1915. It is the day in which we remember all Australians who served and died in war and in all operational service past and present. Come along and mark the day at one of the RSL services in Manningham.

**Thursday 25 April, 6.00am**
**Doncaster RSL Dawn Service**
The Doncaster RSL will hold a Dawn Service attended by a Cavalry representative. This will be followed by a Gunfire Breakfast coordinated by Rotary Club of North Balwyn.

- Doncaster RSL
  - corner of Doncaster Road and Leeds Street
  - Doncaster East

**Thursday 25 April, 8.30am**
**Templestowe RSL ANZAC Service**
Templestowe RSL will hold an ANZAC service followed by a Gunfire Breakfast at the Templestowe RSL.

- Templestowe Memorial Park
  - corner of Foote and High streets
  - Templestowe

**Thursday 25 April, 10.30am**
**Warrandyte RSL ANZAC Service**
At the conclusion of the march Warrandyte RSL will hold an ANZAC service. Refreshments and morning tea will be available in the club following the service.

- 113 Brackenbury Street
  - Warrandyte

**KEEPING OUR STORIES ALIVE**

Last year, people of all ages and backgrounds stepped inside our storypod to share what ANZAC Day means to them. This project was funded through our Community Grants program in partnership with the Templestowe RSL and Templestowe Village Traders Association. The stories and reflections were compiled to create a powerful video that will be available on ANZAC Day.

Watch it on:

youtube.com/manninghamcouncil

facebook.com/manninghamcouncil
We’re happy to announce that phase 1 of upgrades to the Doncaster RSL is now complete and ready in time to commemorate our soldiers this ANZAC Day.

The upgrades are a part of a $310,000 project to revitalise the outdoor area of the Doncaster RSL with a series of new landscaping features and educational signage.

Manningham Mayor, Cr Paula Piccinini, announced the new upgrades at a Remembrance Day ceremony last year, followed by a ‘turning of the sod’ to mark the occasion.

“The council, we want to ensure this legacy of our service men and women is cemented in our community. We believe the upgrades to the Doncaster RSL will ensure there is a place for the Manningham community to come together and pay their respects for many years to come,” Cr Piccinini said.

The new upgrades have enlarged and opened up the outdoor area of the Doncaster RSL for our community with new paving, additional seating and improved lighting.

President of the Doncaster RSL, Charles Collins said “We’re delighted that Manningham has made this commitment to upgrading our RSL, to preserve this site that means so much to us.”

“The Doncaster RSL is a true community centre, where past, present and future generations come to recognise the adversities of war, honour our veterans and where our veterans seek comfort in times of need,” Mr Collins said.
Make a difference in your community

If you’ve ever wanted to give back to your community, the Donvale Lions Club needs your help. Join them to help raise funds while enjoying a range of social activities and making some new friends.

Serving the community since 1983, the Donvale Lions Club has supported many local, interstate and overseas causes. You may have seen them on Saturday mornings running the barbecue at Tunstall Square or at their bi-annual plant sales in April and September.

Members also volunteer their time to help out in op shops, conduct eye and ear examination days for primary school children and plant trees – to name just a few of their activities.

Funds raised support a wide variety of causes, from helping school children attend camps to supporting communities affected by drought. The group has donated funds to the Australian Childhood Cancer Research Fund, Diabetes Australia, Wildlife Victoria, Angel Flight, Manningham Neighbourhood Watch, SES and many more.

Joining the Lions will also unlock a host of social activities including trivia nights, monthly dinners and play nights. You will have an opportunity to develop your leadership skills, improve your public speaking and plan events.

MANNINGHAM DEMENTIA INFORMATION CARDS – OUT NOW

Manningham is working towards becoming a Dementia Friendly Community. This means we are constantly looking at how we can improve the day-to-day lives for those in our community living with dementia.

In 2016, we formed the Manningham Local Dementia Alliance Group – a collective group of residents, carers, community organisations, local businesses and interested bodies, with a goal of creating an inclusive age and dementia-friendly Manningham.

Last year, this group developed its first Manningham Dementia Information Card (pictured) and distributed it across the community, including to health care providers, community centres and organisations.

These pocket-size cards are full of information on how to access support, stay connected, plan ahead and more. They are designed for people living with dementia, carers and anyone wanting to learn more about the condition.

We believe everyone has a role to play in creating a dementia friendly community so next time you see one of these cards in the community or when you pass by the Manningham Civic Centre, make sure you pick one up. You can share it with a loved one or learn how you can offer support.

Next steps for the North East Link

In April, the State Government will release the North East Link (NEL) Environment Effects Statement (EES) for public comment. While Council is not directly involved in the preparation of the EES, we want to support our community in understanding the EES and provide clarity on how you can have your say on how this project might affect you.

North East Link Project (NELP) is the authority set up by the State Government to oversee the delivery of this project and Council is considered a stakeholder in this process just like any other community member.

We know that many in our community may have already participated in the community engagement for this project. This is your chance to have your say directly to NELP, whether you are new to the process or very involved already.

The EES process is required because the North East Link is public work capable of having a significant impact on vegetation, natural features and waterways, open space, amenity (including noise), social and economic impacts.

The EES is a comprehensive document that outlines the proposed project design and contains mitigation and management measures for the project.

Following the public release of the EES, which will be on display for at least 30 business days, a public inquiry is held where the community can also verbally present their case to the panel for consideration. This process can take around 4-6 weeks. Panel members then assess all the written and verbal submissions and provide a list of recommendations to the Minister for Planning.

The Minister then assesses the recommendations and may accept all the recommendations, reject some of them, or provide their own. The final recommendations are binding and will inform other statutory decisions under Environment Protection Act 1970, Heritage Act and any other relevant Acts.

We are working on responding to the EES on behalf of our community and looking for the best outcomes.

Some of Council’s key principles are:

- That the link should avoid socially and physically dividing communities.
- To ensure there is no net loss of community recreation or sporting facilities.
- To maintain general amenity and minimise disturbance to existing residential and environmentally sensitive areas.
- To provide complimentary projects that promote and facilitate walking, cycling and public transport uptake.

However, the final decisions are with NELP and not with Council.

We encourage you to participate in the EES process and provide your own written submission directly to the State Government for consideration, visit:

More information on the NEL project:

Securing your number plates

Every few days number plates are stolen from cars somewhere in Manningham. As well as being a huge inconvenience to the owner, the stolen plates can often be used in other crimes.

Help prevent your plates from being stolen by fitting them with theft resistant, one-way screws. These screws are easy to install but difficult to remove without a special tool.

You can purchase the screws from hardware stores and fit them yourself or attend a Neighbourhood Watch Safe Plate Day if you would like some help. To make securing your number plates even easier, volunteers will fit the screws to your plates on the day in just a few minutes. While you are waiting, treat yourself to a delicious barbeque which helps to support the Donvale Lions Club.

Neighbourhood Watch is assisted at the event by the Manningham SES, the Warrandyte Leos and supported by the Victoria Police. Screws are supplied on the day and the fitting service is free, although a donation to support the work of Neighbourhood Watch is very much appreciated.

**Sunday 19 May**
**10.00am to 2.00pm**

Table in some time for tennis

Manningham Table Tennis Club provides all members of the community with the opportunity to take part in this exciting and exhilarating sport. Suitable for all ages and abilities, table tennis can be enjoyed at any level from the most basic to the highest representative level.

Club members regularly have the chance to participate in all abilities tournaments with players from across Victoria and enjoy some friendly competition. Recently, players from the club successfully competed in the Vietnamese Lunar New Year Table Tennis Championships as well as the 2019 Victorian Open and Para Championships.

These are just some of the amazing results the club has achieved and they hope to continue this success throughout the many tournaments scheduled for 2019. New players are welcome to join and compete or just play socially.

IN BRIEF

manningham.vic.gov.au

VOLUNTEERS RECOGNISED

Last month we held our annual Volunteers Reception, with representatives from organisations across our community being recognised.

According to the last Census, 19 per cent (3.6 million) of Australians over the age of 15 volunteer.

Benefits of volunteering include increasing mental and physical health, developing new skills and expanding networks, supporting your community and making new friends.

PARK ORCHARDS HERITAGE TRAIL

New signs will soon begin to appear around Park Orchards highlighting the history of the suburb at key locations.

An initiative of the Park Orchards Lions Club and supported by Council and Lions Club International, the signs will be placed at 11 locations around Park Orchards. The signs share the history of landmarks across the area, from Petty’s Orchard to 100 Acres Reserve, as well as the characters who have helped shape the suburb we know today.

Have your say on what is important to you in Manningham’s Annual Budget 2019/20.

Each year, to progress our Council Plan 2017-2021, we develop an Annual Budget and a 4 year strategic plan detailing the initiatives, activities and services proposed to be delivered and the costs involved.

HAVE YOUR SAY

You are invited to have your say on the financial plans and initiatives by making a submission. Submissions are open from Friday 26 April until 5.00pm on Thursday 23 May.

To do this you can:

- Visit yoursaymanningham.com.au
- Post your submission to:
  Chief Financial Officer,
  Financial Services,
  Manningham Council,
  PO Box 1, Doncaster VIC 3108

If you make a written submission, you have the opportunity to make a presentation in person to Council.

If you would like to present your proposal in person, please remember to mention that and provide your contact details in your submission. Please note that all submissions will be reproduced in Council documents available to the public. An interpreter can be provided on request.

WHERE CAN I VIEW THE PROPOSED FINANCIAL PLANS?

The draft Annual Budget 2019/20 (incorporating the Strategic Resource Plan 2019-2023) is available from Friday 26 April.

- Online at yoursaymanningham.com.au
- Customer Service Desk, Manningham Civic Centre, 699 Doncaster Road, Doncaster
- Administration Building, Municipal Depot, corner Heidelberg-Warrandyte and Blackburn roads, East Doncaster
- Public libraries in Manningham (Bulleen, Pines, Warrandyte and Doncaster branches)

Thursday 30 May, 6.30pm
Public meeting

The public meeting is an opportunity for submitters who have indicated they would like to present to Council to support their written submission with a short verbal presentation.

All submissions will be considered by Council in preparation of the final budget.

Tuesday 25 June, 7.00pm
Council meeting

Council will then meet to consider adoption of the Budget 2019/20 (incorporating the Strategic Resource Plan 2019-2023).

Walking Basketball

Getting older or suffering from an injury shouldn’t have to mean giving up participating in the sports you love. A new style of low impact basketball is offering a safer option for those returning to the sport or taking it up for the first time.

Walking Basketball is a low impact, social and fun way to improve levels of physical activity for inactive or slightly active people, including those recovering from injury. The modified program provides health benefits to participants, including those who might be intimidated by the pace and impact of a traditional basketball game but love a slower, more social option.

The program has attracted a range of participants but has been especially successful with older people. It offers the chance to experience a new activity or re-engage with a sport they may have played years ago. Special modifications have been made to accommodate older participants and ensure they are safe while getting involved in this activity.

Run in Manningham by the Bulleen Boomers Basketball Club in conjunction with Basketball Victoria, the free Walking Basketball program will be running for a 4 week trial.

**Tuesday 7, 14, 21 and 28 May**
**1.00pm to 2.30pm**
**Walking Basketball**

Bulleen Boomers Basketball Club will be running a 4 week trial and welcome you to come and give it a go.

- Sheahans Road Reserve, Sheahans Road, Bulleen
- Bookings essential
- $ Free
- Tom on 9850 6222
- generalmanager@bulleenboomers.com.au

Walking Basketball is a low impact, social and fun way to improve levels of physical activity for inactive or slightly active people, including those recovering from injury. The modified program provides health benefits to participants, including those who might be intimidated by the pace and impact of a traditional basketball game but love a slower, more social option.
