As we head toward the busy holiday season, I wanted to take this opportunity to thank everyone for what has been a wonderful year in Manningham.

It’s been great to celebrate many of our community organisations turning 50 and the extraordinary commitment of our community volunteers. I am looking forward to celebrating at our Carols by Candlelight in Ruffey Lake Park on Friday 13 December.

With summer now upon us it’s time to get out and enjoy everything that Manningham has to offer. There are plenty of trails and parks for you to explore, you can find out more on page 7.

It’s also time to check your emergency plan and make sure your home and family are prepared for the upcoming bushfire season, see page 8.

This issue of Manningham Matters will have arrived with your 2020 Community Calendar. We have some fantastic talent in Manningham and the images in the calendar highlight some of the entries from our 2019 Photo Competition. The calendar is also a great resource to keep track of what's happening in our community, you can also stay updated by visiting manningham.vic.gov.au/whats-on.

I would like to thank my fellow councillors and Council staff for continuing to work as a team to deliver on behalf of our community. I look forward to the year ahead in 2020.

Wishing you all a very merry Christmas and a happy and safe New Year.

Cr Paul McLeish
Mayor
Celebrating 50 years

Fifty years ago, in 1969, our community was busy establishing new schools, community groups, sports clubs and more. As a result, this year has seen many local schools, clubs, community groups and organisations celebrate their 50th birthdays.

The 1960s was a time of growth for Manningham with many young families moving into the area. Then in 1967 the Shire of Doncaster and Templestowe was officially proclaimed a City.

Some of the 50th celebrations our Mayor has been part of this year include:
- Aquarena Aquatic and Leisure Centre
- Bulleen Boomers, Bulleen-Templestowe Basketball Club
- Bulleen Templestowe Cricket Club
- Doncare
- Doncaster Secondary College
- Onemda
- Park Orchards Sharks Football Club
- Templestowe Junior Football Club
- Templestowe Valley Primary School
- Yarraleen Cricket Club

Fifty years is an incredible milestone and certainly one to celebrate. Congratulations to all Manningham groups celebrating their 50th in 2019.

We’re always looking to help celebrate community milestones and achievements in Manningham Matters. If your club, community organisation or group has a milestone coming up, let us know:

manningham.vic.gov.au/submit-a-story

Join us in celebrating International Day of People with Disability on Tuesday 3 December #idpwd

Equality, justice and freedom prevent violence and sustain peace. Respect for human rights is at the core of development and peace. #standup4humanrights

We all have a role to play in preparing for natural hazards and emergency risks. Make sure you monitor emergency warnings.

emergency.vic.gov.au

With plenty of bushland and open trails, fenced off spaces and agility equipment, you’ll find the best dog friendly parks in Manningham. Check out our top five dog friendly parks as voted by you: manningham.vic.gov.au/top-5-dogparks

From Monday 25 November we’re supporting 16 Days of Activism, a campaign that calls for action against gender-based violence.

The theme of 2019 is ‘Respect Women: Call It Out’. We encourage everyone to call out disrespectful behaviour towards women and let people know it is not OK.

manningham.vic.gov.au/16-days-of-activism

#ThrowbackThursday

An orchardist stands on cracked mud at the edge of a dam measuring the water level with a branch showing Wonga Park’s orchardists’ dams had only inches of water left.

Photographer: W Beams. (1954)

Source: Argus Newspaper Collection of Photographs, State Library of Victoria.
Carols by Candlelight at Ruffey Lake Park, now in its 38th year, is a much-loved Christmas tradition in Manningham. Come along and celebrate a night of festive cheer for the whole family. Featuring a spectacular line up of local and international performers, plenty of pre-show activities for kids, food trucks and everyone’s favourite – the fireworks finale.

KIDS ZONE, 6.00PM TO 8.00PM
Keep little ones entertained with free face painting at the Barry Plant marquee, craft activities and photo booth by Manningham Churches Working Together, jumping castle, giant games and more. There’s also a chill out space provided by the Whitehorse Manningham Library.

PRE-SHOW STAGE ENTERTAINMENT, 6.30PM
Children’s entertainers Pevan and Sarah and local act Beyond Melbourne will perform some upbeat carols favourites for little elves to dance to. At the entrance, visitors will be welcomed by a very special performance by the Veneto Club Choir.

MAIN CONCERT, 8.00PM
Former X Factor Australia winner Isaiah Firebrace is our headline act this year. Isaiah will be joined by Junior Eurovision Song Contest entrant, Jael Wena, and Eurovision: Australia Decides finalist, Manningham’s own, Leea Nanos. There will also be a wonderful line up of performers and local talent including Carla Ventakaya, Richard Thomas, Stephanie Collins and more.

Performers will be supported on stage by the Melbourne Contemporary Choir and the Manningham Concert Band.

FOOD AND GLOW NOVELTIES
Pack a picnic or dine out with a range of Melbourne food stalls, food trucks, local community group barbecues, coffee and snacks, all available to purchase on the night. Light up the night with the ever popular glow novelties and candles. Sales will support selected local charities and community groups.

ON THE NIGHT
Carols by Candlelight is a smoke free, family friendly event. There will be an ATM, toilets and a drinking water fountain to fill up your drink bottles.

Visit the Manningham Information Tent for a free child’s wristband. Write your contact details on the band and secure around your child’s wrist in case you get separated.

Digital song booklets can be downloaded at manningham.vic.gov.au/carols

Bring a torch, comfortable shoes, a picnic rug, re-usable water bottle, cash for any food or beverage purchases and plenty of warm clothes.

Our large screen and Auslan interpreters will make the event accessible for all. A viewing area will be reserved for the mobility impaired and accessible parking will be provided via The Boulevarde off George Street.

It wouldn’t be Carols if the evening didn’t finish with a spectacular, five minute, fireworks finale.
GETTING THERE AND PARKING
Parking is limited. Plan ahead and where possible walk, cycle or get dropped off at the event.
Free event parking is available via King Street with a shuttle bus service operating throughout the evening to and from the event area.

ROAD CLOSURES
To ensure access is maintained to local residents, parking restrictions will be in place in the immediate surrounds of Ruffey Lake Park.
Road closures will take place within Clancys Lane, Cantala Drive, Miller Place, Earl Street, Botanic Drive, Church Road, McCallum Road, Astran Place, Roseland Grove and Anarth Street from 4.00pm to 11.00pm on Friday 13 December.
Residents in these areas will receive notification and parking permits prior to the event via a letter box drop.

YOUR FAMILY PETS
The fireworks finale will commence around 10.00pm and lasts for approximately five minutes.
We recommend leaving your pets at home. If you live nearby, we encourage you to secure your pet in a safe, comfortable location or bring them into your house during the display.

Manningham Carols by Candlelight is proudly presented by Manningham Council.

Friday 13 December
6.00pm to 10.00pm

Suburban Rail Loop: A station at Doncaster may be 10+ years away

The Victorian Government’s proposed Suburban Rail Loop includes a new train station at Doncaster and we are advocating for it to be built in the first stage of construction.

The loop is proposed as an underground rail link that will connect suburbs from Cheltenham to Werribee. A station at Doncaster will create connections to surrounding suburbs and the CBD, while reducing traffic gridlock and providing access to a more sustainable transport option.

Unfortunately, current plans for the first stage of construction will only deliver the section between Cheltenham and Box Hill. We are strongly advocating to the Victorian Government that a station in Doncaster should be included in the first stage of the project.

More than 130,000 Manningham residents and countless more visitors and workers will benefit from a railway station at Doncaster.

As the only municipality in metropolitan Melbourne without a tram or train line, Manningham relies solely on buses for public transport. Our car ownership per household is considerably higher than the metropolitan average and our current bus system is buckling under the pressure to provide enough services and capacity for our ever growing city.

We continue to work with the Victorian Government to plan for a station in Doncaster Hill to cater for our growing population and help make Manningham a key tourist destination in Melbourne.

Investigating a potential future employment precinct

The North East Link Project (NELP) will be leading a feasibility study for 2 to 14 Websters Road in Templestowe to investigate if it is suitable as a future employment precinct.

The site could partially offset the loss of land at the Bulleen Industrial Precinct as a result of the North East Link. Up to 96 of the 110 businesses at the Bulleen Industrial Precinct will be impacted by the North East Link with many already expressing a desire to relocate within the local area.

The 4.5 hectare site at Websters Road is a Council owned compound located within an existing employment precinct. An Independent Employment Land Study identified the site as a possible suitable alternative location, pending further investigations, economic assessments and community consultation.

The feasibility study will include detailed investigations as part of a comprehensive planning and development assessment. NELP and Council will undertake community consultation in 2020 to seek feedback from surrounding residents, businesses and stakeholders.

The Websters Road site is located outside the Urban Growth Boundary and may require ministerial intervention to enable the site to be developed in time to provide a suitable option for Bulleen businesses to relocate to.

Council has requested that the Minister for Planning, Richard Wynne, consider this proposal when assessing the panel report on the North East Link Environmental Effects Statement. We want to see impacted businesses relocate with minimal disruption.

COMMUNITY GRANTS PROGRAM 2020

Applications for our Community Grants Program will open on Monday 10 February 2020 so be sure to mark this in your calendar. Funding is available to support and empower community groups and organisations to deliver activities across Manningham.

There are three grant categories:

COMMUNITY DEVELOPMENT GRANTS
For activities that benefit and meet the needs of our diverse community. Available once each year.

ARTS AND CULTURE GRANTS
For activities that celebrate community life and enhance community connections by providing access to local arts, culture and heritage. Available once each year.

SMALL GRANTS
To deliver one-off, innovative activities and minor equipment purchases that strengthen our community and enhance the quality of life of Manningham residents. Available twice each year in February and September.

INFORMATION SESSIONS AND WORKSHOPS
If you would like to learn more about the grants or are seeking support with your application, come along to one of the upcoming information sessions or our grant writing workshop.

Grant Writing Workshop
Tuesday 4 February 6.30pm to 9.30pm
Manningham Civic Centre, 699 Doncaster Road, Doncaster

Community Development, Arts and Culture and Small Grants Information Session
Wednesday 12 February, 6.30pm to 8.00pm
Manningham Civic Centre, 699 Doncaster Road, Doncaster
Tuesday 18 February, 2.00pm to 3.30pm
Heimat Centre, 125 George Street, Doncaster East

On the trail

Manningham has some fantastic parks and trails for walking or cycling. Daylight savings means even more time to get out and explore so make the most of the extra daylight.

Our major trails, the Mullum Mullum, Main Yarra, Koonung and EastLink Trails all connect and form a 42 kilometre off-road circuit around the municipality.

You can find out what’s on offer in your area on our website or pick up a few of our 28 walks brochures available from local libraries and community centres or the foyer at the Manningham Civic Centre.

If you have a favourite park or trail, share it with us on social media using #exploremaningham

To check out parks in your area:
✔ manningham.vic.gov.au/parks

To find a trail near you:
✔ manningham.vic.gov.au/find-a-trail
✔ manningham.vic.gov.au/currawong-bush-park-trails
What does your emergency plan look like?

Now is the time to get prepared for an emergency and make sure your emergency plan is up to date.

It’s important to share and rehearse your emergency plan with everyone involved.

The Red Cross RediPlan is a free template that is available online and can be stored and shared electronically with your family, friends and neighbours.

It doesn’t matter if you rent or own your property, it’s important to know your risks, be prepared and have an emergency plan in place. Remember, leaving early is always the safest option.

When creating your plan, think about when and where you would go and make sure your emergency kit has enough essential items to last you at least 72 hours.

Think about where you might be in an emergency — you could be at work or out of the area when an emergency occurs, so be prepared.

For more information, including plan templates:

manningham.vic.gov.au/prepare-for-an-emergency

Getting on the road with L2P

If you’re a learner driver who is struggling to get experience on the road, our L2P program may be able to help.

The TAC L2P program is a community based, volunteer program available in Manningham and Whitehorse. The program aims to assist learner drivers who are facing challenges achieving the mandatory 120 driving hours needed to get their probationary licence.

Are you eligible?

To qualify for the program, you must be between 16 and 21 years old with a current learners permit and live in Whitehorse or Manningham. The program is for those with limited financial means and no access to a vehicle or supervising driver. This is a free program, with applicants needing to meet eligibility criteria to be part of the program.

The road to success

Learner drivers are matched with fully licensed community volunteer mentors to help them achieve 120 hours of driving practice.

Learners and their mentors go out for regular driving sessions in a vehicle sponsored by Manningham and Whitehorse councils.

Before being matched with a volunteer mentor, learners can have a limited number of free professional driving lessons with a registered driving instructor.

Do you want to be a L2P mentor?

We are always looking for new mentors to get involved. Driving mentors are community volunteers who can get involved in the L2P program and do training to become a supervising driver.

Learner drivers and mentors meet for at least one hour each week. Mentoring provides opportunities to meet new people and develop new skills.

Find out more:

manningham.vic.gov.au/l2p
Have your say on the future of Ruffey Lake Park

We are developing a new landscape masterplan for Ruffey Lake Park, one of our most loved parks. The masterplan will provide clear direction for the development and management of the park over the next 15 years.

The masterplan will consider:
- how we maintain or improve the parks landscape amenity
- tree planting, bushland conservation and weed management
- pedestrians, bicycle paths, vehicle access, circulation, linkages and parking
- recreational and organised park usage
- safety of park users
- furniture and landscape features
- how we manage and interpret the park’s heritage values
- play environments and play spaces
- event opportunities
- signage, wayfinding and interpretation
- public art

GET INVOLVED
Have your say and provide your ideas on how we can make Ruffey Lake Park even better for our community:

Shine a light on a local hero

Celebrate the unsung heroes that go above and beyond in Manningham by sharing their amazing stories with us for the 2020 Manningham Civic Awards.

Let’s recognise the heroes who’ve made exceptional contributions through volunteer, unpaid or paid work.

Nominations are now open and close on Thursday 9 April.

Winners will be announced at the Gala Ceremony on Wednesday 20 May, during National Volunteers Week.

Award categories include:
- Citizen of the Year
- Young Citizen of the Year
- Volunteer of the Year
- Sportsperson of the Year
- Community Achievement Award

Nominate your local hero and help us say thank you:

It’s the time for giving

With the festive season fast approaching, we have the opportunity to help families in our community who are experiencing hardship.

A Doncare Wishing Tree has been set up in the foyer of the Manningham Civic Centre where you can donate toys and gift cards for children and young people. Gifts donated through the Wishing Tree will be part of Doncare’s pop-up Christmas shop, which allows local families experiencing hardship to choose Christmas toys for their children.

You can get involved in three easy steps:
1. Collect a gift tag from the Wishing Tree
2. Purchase a gift for a child or gift voucher for a teenager
3. Return your gift with gift tag attached to Manningham Civic Centre, 699 Doncaster Road, Doncaster by Monday 16 December.

Donations of non-perishable food items are also welcome. For more information visit:

\[ \text{doncare.org.au/christmas-assistance} \]

OTHER WAYS YOU CAN HELP

For families who celebrate Christmas, it can be an expensive time. There are many people who can’t afford to buy enough food, let alone gifts for their children. Why not donate to an organisation that distributes gifts and food to people in need? Organisations include:

- Doncare
- Anglicare
- Melbourne City Mission
- Sacred Heart Mission
- The Salvation Army
- St Vincent de Paul
- The Smith Family
- Uniting Care
- Local churches and service clubs

Don’t forget our furry friends too by giving to rescue organisations such as the RSPCA or the Lost Dogs’ Home.

Send your good tidings to those doing it tough this Christmas. The festive season is a great time to get involved and show how much you care.

Mayoral Ball sparks fun and raises funds

More than 250 people celebrated this year’s Mayoral Ball with Cr Paula Piccinini to raise funds for Doncare’s Resilient Kids – Positive Futures.

The fundraising dinner on Friday 25 October raised more than $35,000 for the Doncare initiative through live and silent auctions and more.

*Resilient Kids – Positive Futures* will provide a holistic response to children struggling with anxiety and depression and will incorporate art therapy, creative group work and targeted workshops.

Thank you to all our sponsors and supporters. For more information about the program:

\[ \text{doncare.org.au/resilient-kids-positive-futures} \]
IN BRIEF

CHECK YOUR SMOKE ALARMS

Is there a working smoke alarm in your bedroom?

CFA and MFB recommend that smoke alarms be installed in all bedrooms and living areas.

Smoke alarms should be powered by a long-life battery, installed on the ceiling at least 30cm from the wall and interconnected so that when any alarm activates, all smoke alarms will sound.

FOLLOW THE STAR

Join an inclusive event where everyone can enjoy the spirit of Christmas with nativity dress ups and craft activities along with food and fun. Hosted by Warrandyte Uniting Church.

Sunday 8 December
3.00pm to 8.00pm

Warrandyte Uniting Church,
corner of Taroona Avenue and West End Road, Warrandyte

GREYTHORN BOWLING CLUB

Recently celebrating their 60th year, Greythorn Bowling Club has seen a lot of change since the club first opened on swamp land next to Koonung Creek in Doncaster. Now with two all-weather bowling greens, car parking and a club house, the club caters for competitions and events and welcomes everyone to come and give bowls a try.

Schools looking to try out lawn bowls as part of their 2020 sport programs are encouraged to contact the club.

Eat and Greet

In a kitchen in Templestowe Lower, a group of volunteers spend a few mornings a week preparing meals to be distributed to those in our community in need.

Started in 2017, the Eat and Greet program at Living and Learning at Ajani is a free meals program run in partnership with Doncare. Supplies for the meals are either sourced from the organic community garden at the centre, purchased from Foodbank Victoria or donated by a range of local businesses and community members.

Recent fundraising efforts mean the program will distribute a festive food pack during December, including seasonal treats to make the holiday season special for all.

Donate fresh food for Eat and Greet

Eat and Greet is looking for donations of ingredients from local suppliers, stores or home gardeners. With many home gardens flourishing and the holiday season upon us, now is a great time to donate. Volunteers are also welcome to join the program.

Since July this year, the program has:

- produced more than 1000 meals
- benefitted over 50 different Manningham residents and Doncare clients.
Calendar of EVENTS

Until Saturday 14 December
Far Flung: Connecting Intergenerational Families exhibition
Showcasing artwork from students and their guardians from Birralee Primary School, this exhibition explores ideas of a local and global sense of home.
Funded by Creative Victoria’s Creative Suburbs program and developed in partnership with RMIT University.

There will be many free activities and entertainment for children and the whole family.

manningham.vic.gov.au/carols
Your weekly waste collection will continue without interruption over the upcoming Christmas and New Year period. Your garbage, recycle and garden waste bins will be collected as usual according to your waste calendar.

We know that households often produce more garbage and recycling during the festive season. Please remember that materials must be placed inside your bins and that overflowing bins will not be collected.

If you are looking to dispose of excess garbage and recycling, check our website for details on local tips and transfer stations.

For larger items and excess garden waste material, all households with a Council waste service in Manningham are entitled to two hard waste or bundled garden waste collections or a combination of either each year.

You can find out more and book these online. 

manningham.vic.gov.au/waste
