

Works notification

12 February 2021

Day/night works

Site establishment, Avon Street, Bulleen.

We've started moving close to 100 above and underground services such as power, water, gas, sewerage and telecommunications to make way for North East Link.

As part of these works CPB Contractors are closing Avon Street, Bulleen at the intersection with Bulleen Road to establish a work site, before construction of the Yarra East Main Sewer from **Monday 22 February 2021**.

What we'll be doing

Works will include:

- Installation of temporary safety fencing and lighting
- Removal of vegetation and kerbing
- Construction of a crushed rock base for the work area
- Implementing environmental controls such as tree protection, silt traps and dust suppression measures
- Construction of temporary laydown areas and infrastructure for the site
- Installation of a southbound left turn slip lane into the temporary site entrance on Bulleen Road, to provide safe access for project vehicles. Traffic management will be in place and access to properties will be maintained at all times.
- Traffic management, pedestrian and cyclist detours on Bulleen Road during night works
- Construction of a receival shaft ready for the deployment of the mini Tunnel Boring Machine (TBM) in mid-2021.

Closure of Avon Street

- Concrete barriers will be placed along Bulleen Road to close the intersection. This will occur over three nights from Monday 22 February 2021. A temporary speed restriction of 40kmh will be in place during these works.
- All lanes of traffic on Bulleen Road will be maintained after the closure

- Avon Street will be closed at the corner of Avon Street and Bulleen Road to create room for the work site
- Detours will be in place to access Avon Street from Austin Street and York Street
- The road closure and work site will be in place until late 2021. A new speed limit will be in place on Bulleen Road during this period.

When are we working?

7am to 6pm, Monday to Friday

7am to 1pm, Saturdays

7.30pm to 5.30am, Sunday to Friday for night works

Any work scheduled to occur outside these hours will only proceed after residents have been notified.

What to expect

During these works you may notice:

- Work crews in the area
- Light from the work site
- Noise from machinery and equipment, such as an excavator, bobcat, generator and vehicles
- Dust from the work site.

Health and safety

The health and safety of our workforce and community remains our top priority. Physical distancing measures are in place as well as increased hygiene practices. For more information about coronavirus (COVID-19) visit coronavirus.vic.gov.au

Managing impacts

CPB Contractors are committed to minimising construction impacts for residents and the community and will implement the following mitigation measures where appropriate:

- Covering loads on trucks, when transporting excavated material and clean fill
- Directional lighting to avoid light spill
- Dust suppression using water carts and binding agents
- Use of rumble grids on roads to reduce the transfer of dirt on local roads
- Noise control equipment and sound blankets may be used on machinery and tools
- Tree protection zones to retain as many trees as possible
- Pedestrian and cyclist detours will be in place around the work site.

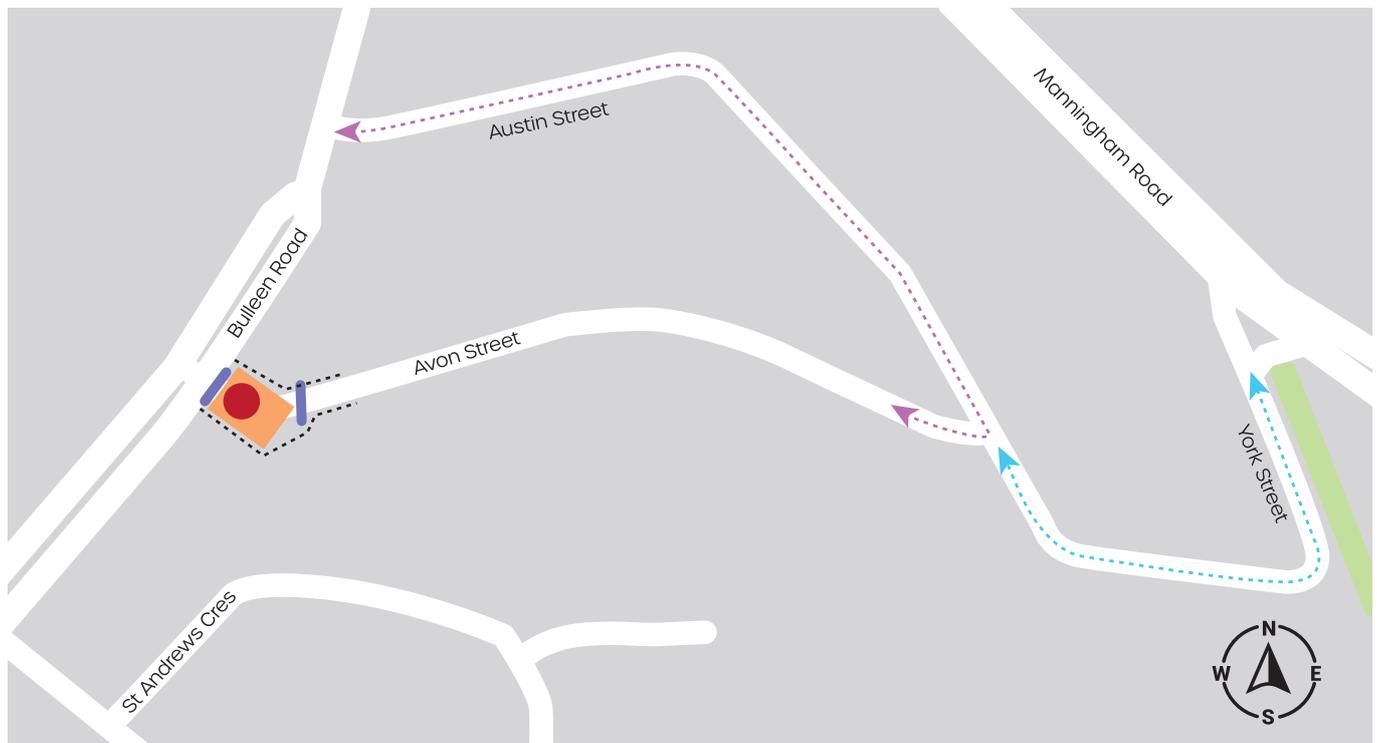

Our community engagement team will be onsite and available to assist residents during the works.

Safety is our priority and we ask for your assistance with obeying instructions, signage, and maintaining social distancing during the coronavirus pandemic.

The phasing of these works is indicative only and subject to change within the times specified in the works notification.

We appreciate your patience and understanding throughout these works.

Avon Street Closure
