

Works notification

15 April 2021

Day/night works

Site establishment works at Bulleen Park, Bulleen

We're moving close to 100 above and underground services such as power, water, gas, sewerage and telecommunications to make way for North East Link.

From **Thursday 22 April 2021** until **mid-2021** we will construct a work site at Bulleen Park, Bulleen to support the construction of the Yarra East Main Sewer (YEMS).

What we'll be doing

These works include:

- Surveying and scanning the ground to locate services with handheld electronic equipment
- Using high-pressure water and a vacuum to carefully expose underground services and verify their location
- Installation of temporary safety fencing and lighting
- Vegetation removal
- Construction of a temporary carpark for patrons
- Installation of temporary site facilities and toilets
- Construction of launch and retrieval shafts
- Boring works to install pipes
- Construction of maintenance holes for future access by the utility provider.

When are we working

7am to 6pm, Monday to Friday
10pm to 6am, Friday to Saturday
10pm to 7am, Sunday to Friday

From **Thursday 22 April** until **mid-2021**

The construction works will be a combination of both day and night works to minimise the impact of the works on the users of Bulleen Park.

Any work scheduled to occur outside these hours will only proceed after residents have been notified.

What to expect

During these works you may notice:

- Work crews in the area
- Noise from machinery and equipment, such as a vacuum truck, an excavator, roller, drilling rig and light vehicles
- Vibration while we compact the work area.

Health and safety

The health and safety of our workforce and community remains our top priority. Physical distancing measures are in place as well as increased hygiene practices. For more information about coronavirus (COVID-19) visit coronavirus.vic.gov.au

Managing impacts

CPB Contractors are committed to minimising construction impacts for residents and the community and will implement the following mitigation measures where appropriate:

- Covering loads on trucks, when transporting excavated material and clean fill
- Dust suppression using water carts and binding agents
- Use of rumble grids on roads to reduce the transfer of dirt on local roads
- Noise control equipment and sound blankets may be used on machinery and tools
- Implementing environmental controls such as silt traps and tree protection zones to retain as many trees as possible
- Scheduling works to accommodate the Bulleen Park sporting activities

- Access to the shared user path will be maintained via detour path.

Our community engagement team will be onsite and available to assist residents during the works.

Safety is our priority and we ask for your assistance with obeying instructions, signage, and maintaining social distancing during the coronavirus pandemic.

The phasing of these works is indicative and subject to change within the times specified in the works notification.

We appreciate your patience and understanding throughout these works.
