

# Upcoming day and night works for North East Link

## Maintenance hole construction on Bulleen Road, Bulleen

We're moving close to 100 above and underground services such as power, water, gas, sewerage and telecommunications to make way for North East Link.

From **Monday 13 September 2021** until **late 2021** CPB Contractors will establish a worksite on the western side of Bulleen Road, near Ilma Court, Bulleen to support the construction of the Yarra East Main Sewer.

### What we're doing

Works include:

- Vegetation removal
- Construction of a crushed rock base for the work area
- Installation of temporary site facilities and toilets
- Modification works to an existing maintenance hole on the western side of Bulleen Road
- Boring the new sewer pipeline between existing shafts. This will connect this maintenance hole to another maintenance hole on the eastern side of Bulleen Road.
- A bypass line will also be set up to allow us to work in the existing maintenance hole
- Testing and commissioning of the new sewer network
- Reinstatement of impacted areas as required.

### When we'll be working

Day works:

**7am to 6pm**, Monday to Friday, and **7am to 1pm**, Saturday  
From **Monday 13 September 2021** until **late 2021**.

Incidental night works are required to inspect existing maintenance holes. This will involve lane closures in both the northbound and southbound directions.

Impacted residents will be advised in advance.

### What to expect

You may notice:

- Work crews in the area
- Noise from machinery and equipment, such as an excavator, roller, drilling rig, crane and light vehicles
- Vibration while we compact the work area.

## Health and safety

The health and safety of our workforce and community remains our top priority. Physical distancing measures are in place as well as increased hygiene practices. For more information about coronavirus (COVID-19) visit [coronavirus.vic.gov.au](https://coronavirus.vic.gov.au)

Printed on 100% recycled paper.  
When you're finished, please recycle.

## Managing impacts

CPB Contractors are committed to minimising construction impacts for residents and the community and will implement the following mitigation measures where appropriate.

- Covering loads on trucks, when transporting excavated material
- Dust suppression using water carts and binding agents
- Noise control equipment and sound blankets may be used on machinery and tools
- Tree protection zones to retain as many trees as possible.

Our community engagement team will be onsite and available to assist residents during the works.

Safety is our priority and we ask for your assistance with obeying instructions and signage during the coronavirus pandemic.

The phasing of these works is indicative and subject to change within the times specified in the works notification.

**We appreciate your patience and understanding throughout these works.**

Schedule is subject to change. Visit [northeastlink.vic.gov.au/works](https://northeastlink.vic.gov.au/works) for schedule changes. If you have any questions, please contact us on 1800 105 105
