

Upcoming day and night works for North East Link

Maintenance hole construction on Bulleen Road, Bulleen

We're moving close to 100 above and underground services such as power, water, gas, sewerage and telecommunications to make way for North East Link.

From **Wednesday 16 June 2021** until **late 2021** CPB Contractors will establish a work site on the western side of Bulleen Road, near Ilma Court, Bulleen to support the construction of the Yarra East Main Sewer.

What we'll be doing

Works will include:

- Vegetation removal
- Construction of a crushed rock base for the work area
- Installation of temporary site facilities and toilets
- Construction of a shaft using large machinery
- Boring the new sewer pipelines between the shafts. This will connect this maintenance hole to another maintenance hole on the eastern side of Bulleen Road.
- Construction of a maintenance hole on the western side of Bulleen Road for the ongoing inspection and maintenance of the new sewer
- Testing and commissioning of the new sewer network.

When we'll be working

Day works:

7am to 6pm, Monday to Saturday

Night works:

6pm to 6am Sunday to Saturday

From **Wednesday 16 June 2021** until **late 2021**.

Incidental night works may be required for large deliveries and moving large equipment. Northbound lanes may be closed during this time.

Impacted residents will be advised in advance.

What to expect

During these works you may notice:

- Work crews in the area
- Noise from machinery and equipment, such as an excavator, roller, drilling rig, crane and light vehicles
- Vibration while we compact the work area
- Traffic Management involving lane closures in the northbound direction
- A new variable speed limit of 60km/h and 40km/h will be in place on Bulleen Road during these works.

Health and safety

The health and safety of our workforce and community remains our top priority. Physical distancing measures are in place as well as increased hygiene practices. For more information about coronavirus (COVID-19) visit coronavirus.vic.gov.au

Managing impacts

CPB Contractors are committed to minimising construction impacts for residents and the community and will implement the following mitigation measures where appropriate.

- Covering loads on trucks, when transporting excavated material
- Dust suppression using water carts and binding agents
- Noise control equipment and sound blankets may be used on machinery and tools
- Tree protection zones to retain as many trees as possible.

Our community engagement team will be onsite and available to assist residents during the works.

Safety is our priority and we ask for your assistance with obeying instructions and signage during the coronavirus pandemic.

The phasing of these works is indicative and subject to change within the times specified in the works notification.

We appreciate your patience and understanding throughout these works.

Schedule is subject to change. Visit northeastlink.vic.gov.au/works for schedule changes. If you have any questions, please contact us on **1800 105 105**
